

# Petition to Extend City Limits of Seattle

To the Honorable, the City Council, the Legislative Body of the City of Seattle:—

We, the undersigned, being each a qualified elector of the said City of Seattle, hereby respectfully petition that the boundaries of the City of Seattle be altered and extended so as to include the new territory hereinafter described within the said City of Seattle after proceedings had as required by law, and that you submit to the electors of said city and to the electors residing in the said territory hereinafter described, the question whether said territory shall be annexed to said City of Seattle and become a part thereof.

The said new territory proposed to be annexed to the City of Seattle is particularly described as follows, to-wit: Beginning at the point in the center of Lake Washington, which is the Northeast corner of the present limits of the City of Seattle; thence Northerly along the center of Lake Washington to an intersection with the south line of Section Sixteen, in Township Twenty-five North, Range Four East, W. M., produced eastwardly; thence West in the waters of Lake Washington and Union Bay along said south line produced, to an intersection with the east line of said Section Sixteen, produced southerly; thence North in the waters of Union Bay along said east line produced to the shore of said Union Bay, and thence North along the east line of said Section Sixteen and of Section No. Nine in said Township and Range to the quarter-section corner on the east line of said Section Nine; thence West along the center line of said Section Nine to the quarter-section corner in the west line thereof; thence North along the east lines of Sections Eight and Five in said Township and Range to the north line of said Township Twenty-five North; thence West along said Township line to the quarter-section corner in the north line of Section One, in Township Twenty-five North, Range Three East, which latter point is the Northeast corner of the present corporate limits of the town (now city) of Ballard; thence South along the center line of said Section One, and Sections Twelve and Thirteen in said Township Twenty-five North, Range Three East to the Southeast corner of Government Lot Two, in said Section Thirteen, said last-named line being also the Easterly boundary of said City of Ballard; thence West along the South boundary of said City of Ballard to the center of Salmon Bay; thence Northwesterly following the present corporate limits of the City of Ballard along the center line of Salmon Bay to deep water in Puget Sound or Admiralty Inlet; thence West to the main channel of Puget Sound or Admiralty Inlet; thence Southerly along said main channel to a junction with the main channel from Elliott Bay; thence Easterly and Southeasterly along the main channel of Elliott Bay to the point in the center of Elliott Bay, which is the Northwest corner of the present limits of the City of Seattle; thence Northeastwardly along the present Northwestern boundary of the City of Seattle to the intersection between the shore of said Elliott Bay and the west line of Section Twenty-four, in Township Twenty-five North, Range Three East; thence North, following the present boundary of the City of Seattle along said west line of said Section Twenty-four to the quarter-section corner in the west line of said Section Twenty-four; thence East, following the present boundary of the City of Seattle along the center line of said Section Twenty-four, and of Sections Nineteen and Twenty in Township Twenty-five North, Range Four East to the east line of said Section Twenty; thence South following the present boundary of the City of Seattle, along the east line of said Section Twenty to the Southeast corner thereof; thence East following the present boundary of the City of Seattle along the North line of Sections Twenty-eight and Twenty-seven in Township Twenty-five North, Range Four East, to the shore of Lake Washington; and thence Easterly in the waters of Lake Washington following the present boundary of the City of Seattle to the present Northeast corner of the limits of the City of Seattle and place of beginning, including all waters embraced within the boundaries above described.

# Petition to Extend City Limits of Seattle

To the Honorable, the City Council, the Legislative Body of the City of Seattle:—

We, the undersigned, being each a qualified elector of the said City of Seattle, hereby respectfully petition that the boundaries of the City of Seattle be altered and extended so as to include the new territory hereinafter described within the said City of Seattle after proceedings had as required by law, and that you submit to the electors of said city and to the electors residing in the said territory hereinafter described, the question whether said territory shall be annexed to said City of Seattle and become a part thereof.

The said new territory proposed to be annexed to the City of Seattle is particularly described as follows, to-wit: Beginning at the point in the center of Lake Washington, which is the Northeast corner of the present limits of the City of Seattle; thence Northerly along the center of Lake Washington to an intersection with the south line of Section Sixteen, in Township Twenty-five North, Range Four East, W. M., produced eastwardly; thence West in the waters of Lake Washington and Union Bay along said south line produced, to an intersection with the east line of said Section Sixteen, produced southerly; thence North in the waters of Union Bay along said east line produced to the shore of said Union Bay, and thence North along the east line of said Section Sixteen and of Section No. Nine in said Township and Range to the quarter-section corner on the east line of said Section Nine; thence West along the center line of said Section Nine to the quarter-section corner in the west line thereof; thence North along the east lines of Sections Eight and Five in said Township and Range to the north line of said Township Twenty-five North; thence West along said Township line to the quarter-section corner in the north line of Section One, in Township Twenty-five North, Range Three East, which latter point is the Northeast corner of the present corporate limits of the town (now city) of Ballard; thence South along the center line of said Section One, and Sections Twelve and Thirteen in said Township Twenty-five North, Range Three East to the Southeast corner of Government Lot Two, in said Section Thirteen, said last-named line being also the Easterly boundary of said City of Ballard; thence West along the South boundary of said City of Ballard to the center of Salmon Bay; thence Northwesterly following the present corporate limits of the City of Ballard along the center line of Salmon Bay to deep water in Puget Sound or Admiralty Inlet; thence West to the main channel of Puget Sound or Admiralty Inlet; thence Southerly along said main channel to a junction with the main channel from Elliott Bay; thence Easterly and Southeasterly along the main channel of Elliott Bay to the point in the center of Elliott Bay, which is the Northwest corner of the present limits of the City of Seattle; thence Northeastwardly along the present Northwestern boundary of the City of Seattle to the intersection between the shore of said Elliott Bay and the west line of Section Twenty-four, in Township Twenty-five North, Range Three East; thence North, following the present boundary of the City of Seattle along said west line of said Section Twenty-four to the quarter-section corner in the west line of said Section Twenty-four; thence East, following the present boundary of the City of Seattle along the center line of said Section Twenty-four, and of Sections Nineteen and Twenty in Township Twenty-five North, Range Four East to the east line of said Section Twenty; thence South following the present boundary of the City of Seattle, along the east line of said Section Twenty to the Southeast corner thereof; thence East following the present boundary of the City of Seattle along the North line of Sections Twenty-eight and Twenty-seven in Township Twenty-five North, Range Four East, to the shore of Lake Washington; and thence Easterly in the waters of Lake Washington following the present boundary of the City of Seattle to the present Northeast corner of the limits of the City of Seattle and place of beginning, including all waters embraced within the boundaries above described.

# Petition to Extend City Limits of Seattle

To the Honorable, the City Council, the Legislative Body of the City of Seattle:—

We, the undersigned, being each a qualified elector of the said City of Seattle, hereby respectfully petition that the boundaries of the City of Seattle be altered and extended so as to include the new territory hereinafter described within the said City of Seattle after proceedings had as required by law, and that you submit to the electors of said city and to the electors residing in the said territory hereinafter described, the question whether said territory shall be annexed to said City of Seattle and become a part thereof.

The said new territory proposed to be annexed to the City of Seattle is particularly described as follows, to-wit: Beginning at the point in the center of Lake Washington, which is the Northeast corner of the present limits of the City of Seattle; thence Northerly along the center of Lake Washington to an intersection with the south line of Section Sixteen, in Township Twenty-five North, Range Four East, W. M., produced eastwardly; thence West in the waters of Lake Washington and Union Bay along said south line produced, to an intersection with the east line of said Section Sixteen, produced southerly; thence North in the waters of Union Bay along said east line produced to the shore of said Union Bay, and thence North along the east line of said Section Sixteen and of Section No. Nine in said Township and Range to the quarter-section corner on the east line of said Section Nine; thence West along the center line of said Section Nine to the quarter-section corner in the west line thereof; thence North along the east lines of Sections Eight and Five in said Township and Range to the north line of said Township Twenty-five North; thence West along said Township line to the quarter-section corner in the north line of Section One, in Township Twenty-five North, Range Three East, which latter point is the Northeast corner of the present corporate limits of the town (now city) of Ballard; thence South along the center line of said Section One, and Sections Twelve and Thirteen in said Township Twenty-five North, Range Three East to the Southeast corner of Government Lot Two, in said Section Thirteen, said last-named line being also the Easterly boundary of said City of Ballard; thence West along the South boundary of said City of Ballard to the center of Salmon Bay; thence Northwesterly following the present corporate limits of the City of Ballard along the center line of Salmon Bay to deep water in Puget Sound or Admiralty Inlet; thence West to the main channel of Puget Sound or Admiralty Inlet; thence Southerly along said main channel to a junction with the main channel from Elliott Bay; thence Easterly and Southeasterly along the main channel of Elliott Bay to the point in the center of Elliott Bay, which is the Northwest corner of the present limits of the City of Seattle; thence Northeastwardly along the present Northwestern boundary of the City of Seattle to the intersection between the shore of said Elliott Bay and the west line of Section Twenty-four, in Township Twenty-five North, Range Three East; thence North, following the present boundary of the City of Seattle along said west line of said Section Twenty-four to the quarter-section corner in the west line of said Section Twenty-four; thence East, following the present boundary of the City of Seattle along the center line of said Section Twenty-four, and of Sections Nineteen and Twenty in Township Twenty-five North, Range Four East to the east line of said Section Twenty; thence South following the present boundary of the City of Seattle, along the east line of said Section Twenty to the Southeast corner thereof; thence East following the present boundary of the City of Seattle along the North line of Sections Twenty-eight and Twenty-seven in Township Twenty-five North, Range Four East, to the shore of Lake Washington; and thence Easterly in the waters of Lake Washington following the present boundary of the City of Seattle to the present Northeast corner of the limits of the City of Seattle and place of beginning, including all waters embraced within the boundaries above described.

# Petition to Extend City Limits of Seattle

To the Honorable, the City Council, the Legislative Body of the City of Seattle:—

We, the undersigned, being each a qualified elector of the said City of Seattle, hereby respectfully petition that the boundaries of the City of Seattle be altered and extended so as to include the new territory hereinafter described within the said City of Seattle after proceedings had as required by law, and that you submit to the electors of said city and to the electors residing in the said territory hereinafter described, the question whether said territory shall be annexed to said City of Seattle and become a part thereof.

The said new territory proposed to be annexed to the City of Seattle is particularly described as follows, to-wit: Beginning at the point in the center of Lake Washington, which is the Northeast corner of the present limits of the City of Seattle; thence Northerly along the center of Lake Washington to an intersection with the south line of Section Sixteen, in Township Twenty-five North, Range Four East, W. M., produced eastwardly; thence West in the waters of Lake Washington and Union Bay along said south line produced, to an intersection with the east line of said Section Sixteen, produced southerly; thence North in the waters of Union Bay along said east line produced to the shore of said Union Bay, and thence North along the east line of said Section Sixteen and of Section No. Nine in said Township and Range to the quarter-section corner on the east line of said Section Nine; thence West along the center line of said Section Nine to the quarter-section corner in the west line thereof; thence North along the east lines of Sections Eight and Five in said Township and Range to the north line of said Township Twenty-five North; thence West along said Township line to the quarter-section corner in the north line of Section One, in Township Twenty-five North, Range Three East, which latter point is the Northeast corner of the present corporate limits of the town (now city) of Ballard; thence South along the center line of said Section One, and Sections Twelve and Thirteen in said Township Twenty-five North, Range Three East to the Southeast corner of Government Lot Two, in said Section Thirteen, said last-named line being also the Easterly boundary of said City of Ballard; thence West along the South boundary of said City of Ballard to the center of Salmon Bay; thence Northwesterly following the present corporate limits of the City of Ballard along the center line of Salmon Bay to deep water in Puget Sound or Admiralty Inlet; thence West to the main channel of Puget Sound or Admiralty Inlet; thence Southerly along said main channel to a junction with the main channel from Elliott Bay; thence Easterly and Southeasterly along the main channel of Elliott Bay to the point in the center of Elliott Bay, which is the Northwest corner of the present limits of the City of Seattle; thence Northeastwardly along the present Northwestern boundary of the City of Seattle to the intersection between the shore of said Elliott Bay and the west line of Section Twenty-four, in Township Twenty-five North, Range Three East; thence North, following the present boundary of the City of Seattle along said west line of said Section Twenty-four to the quarter-section corner in the west line of said Section Twenty-four; thence East, following the present boundary of the City of Seattle along the center line of said Section Twenty-four, and of Sections Nineteen and Twenty in Township Twenty-five North, Range Four East to the east line of said Section Twenty; thence South following the present boundary of the City of Seattle, along the east line of said Section Twenty to the Southeast corner thereof; thence East following the present boundary of the City of Seattle along the North line of Sections Twenty-eight and Twenty-seven in Township Twenty-five North, Range Four East, to the shore of Lake Washington; and thence Easterly in the waters of Lake Washington following the present boundary of the City of Seattle to the present Northeast corner of the limits of the City of Seattle and place of beginning, including all waters embraced within the boundaries above described.

# Petition to Extend City Limits of Seattle

To the Honorable, the City Council, the Legislative Body of the City of Seattle:—

We, the undersigned, being each a qualified elector of the said City of Seattle, hereby respectfully petition that the boundaries of the City of Seattle be altered and extended so as to include the new territory hereinafter described within the said City of Seattle after proceedings had as required by law, and that you submit to the electors of said city and to the electors residing in the said territory hereinafter described, the question whether said territory shall be annexed to said City of Seattle and become a part thereof.

The said new territory proposed to be annexed to the City of Seattle is particularly described as follows, to-wit: Beginning at the point in the center of Lake Washington, which is the Northeast corner of the present limits of the City of Seattle; thence Northerly along the center of Lake Washington to an intersection with the south line of Section Sixteen, in Township Twenty-five North, Range Four East, W. M., produced eastwardly; thence West in the waters of Lake Washington and Union Bay along said south line produced, to an intersection with the east line of said Section Sixteen, produced southerly; thence North in the waters of Union Bay along said east line produced to the shore of said Union Bay, and thence North along the east line of said Section Sixteen and of Section No. Nine in said Township and Range to the quarter-section corner on the east line of said Section Nine; thence West along the center line of said Section Nine to the quarter-section corner in the west line thereof; thence North along the east lines of Sections Eight and Five in said Township and Range to the north line of said Township Twenty-five North; thence West along said Township line to the quarter-section corner in the north line of Section One, in Township Twenty-five North, Range Three East, which latter point is the Northeast corner of the present corporate limits of the town (now city) of Ballard; thence South along the center line of said Section One, and Sections Twelve and Thirteen in said Township Twenty-five North, Range Three East to the Southeast corner of Government Lot Two, in said Section Thirteen, said last-named line being also the Easterly boundary of said City of Ballard; thence West along the South boundary of said City of Ballard to the center of Salmon Bay; thence Northwesterly following the present corporate limits of the City of Ballard along the center line of Salmon Bay to deep water in Puget Sound or Admiralty Inlet; thence West to the main channel of Puget Sound or Admiralty Inlet; thence Southerly along said main channel to a junction with the main channel from Elliott Bay; thence Easterly and Southeasterly along the main channel of Elliott Bay to the point in the center of Elliott Bay, which is the Northwest corner of the present limits of the City of Seattle; thence Northeastwardly along the present Northwestern boundary of the City of Seattle to the intersection between the shore of said Elliott Bay and the west line of Section Twenty-four, in Township Twenty-five North, Range Three East; thence North, following the present boundary of the City of Seattle along said west line of said Section Twenty-four to the quarter-section corner in the west line of said Section Twenty-four; thence East, following the present boundary of the City of Seattle along the center line of said Section Twenty-four, and of Sections Nineteen and Twenty in Township Twenty-five North, Range Four East to the east line of said Section Twenty; thence South following the present boundary of the City of Seattle, along the east line of said Section Twenty to the Southeast corner thereof; thence East following the present boundary of the City of Seattle along the North line of Sections Twenty-eight and Twenty-seven in Township Twenty-five North, Range Four East, to the shore of Lake Washington; and thence Easterly in the waters of Lake Washington following the present boundary of the City of Seattle to the present Northeast corner of the limits of the City of Seattle and place of beginning, including all waters embraced within the boundaries above described.

# Petition to Extend City Limits of Seattle

*and registered*

To the Honorable, the City Council, the Legislative Body of the City of Seattle:—

We, the undersigned, being each a qualified elector of the said City of Seattle, hereby respectfully petition that the boundaries of the City of Seattle be altered and extended so as to include the new territory hereinafter described within the said City of Seattle after proceedings had as required by law, and that you submit to the electors of said city and to the electors residing in the said territory hereinafter described, the question whether said territory shall be annexed to said City of Seattle and become a part thereof.

The said new territory proposed to be annexed to the City of Seattle is particularly described as follows, to-wit: Beginning at the point in the center of Lake Washington, which is the Northeast corner of the present limits of the City of Seattle; thence Northerly along the center of Lake Washington to an intersection with the south line of Section Sixteen, in Township Twenty-five North, Range Four East, W. M., produced eastwardly; thence West in the waters of Lake Washington and Union Bay along said south line produced, to an intersection with the east line of said Section Sixteen, produced southerly; thence North in the waters of Union Bay along said east line produced to the shore of said Union Bay, and thence North along the east line of said Section Sixteen and of Section No. Nine in said Township and Range to the quarter-section corner on the east line of said Section Nine; thence West along the center line of said Section Nine to the quarter-section corner in the west line thereof; thence North along the east lines of Sections Eight and Five in said Township and Range to the north line of said Township Twenty-five North; thence West along said Township line to the quarter-section corner in the north line of Section One, in Township Twenty-five North, Range Three East, which latter point is the Northeast corner of the present corporate limits of the town (now city) of Ballard; thence South along the center line of said Section One, and Sections Twelve and Thirteen in said Township Twenty-five North, Range Three East to the Southeast corner of Government Lot Two, in said Section Thirteen, said last-named line being also the Easterly boundary of said City of Ballard; thence West along the South boundary of said City of Ballard to the center of Salmon Bay; thence Northwesterly following the present corporate limits of the City of Ballard along the center line of Salmon Bay to deep water in Puget Sound or Admiralty Inlet; thence West to the main channel of Puget Sound or Admiralty Inlet; thence Southerly along said main channel to a junction with the main channel from Elliott Bay; thence Easterly and Southeasterly along the main channel of Elliott Bay to the point in the center of Elliott Bay, which is the Northwest corner of the present limits of the City of Seattle; thence Northeastwardly along the present Northwestern boundary of the City of Seattle to the intersection between the shore of said Elliott Bay and the west line of Section Twenty-four, in Township Twenty-five North, Range Three East; thence North, following the present boundary of the City of Seattle along said west line of said Section Twenty-four to the quarter-section corner in the west line of said Section Twenty-four; thence East, following the present boundary of the City of Seattle along the center line of said Section Twenty-four, and of Sections Nineteen and Twenty in Township Twenty-five North, Range Four East to the east line of said Section Twenty; thence South following the present boundary of the City of Seattle, along the east line of said Section Twenty to the Southeast corner thereof; thence East following the present boundary of the City of Seattle along the North line of Sections Twenty-eight and Twenty-seven in Township Twenty-five North, Range Four East, to the shore of Lake Washington; and thence Easterly in the waters of Lake Washington following the present boundary of the City of Seattle to the present Northeast corner of the limits of the City of Seattle and place of beginning, including all waters embraced within the boundaries above described.

# Petition to Extend City Limits of Seattle

To the Honorable, the City Council, the Legislative Body of the City of Seattle:—

We, the undersigned, being each a qualified elector of the said City of Seattle, hereby respectfully petition that the boundaries of the City of Seattle be altered and extended so as to include the new territory hereinafter described within the said City of Seattle after proceedings had as required by law, and that you submit to the electors of said city and to the electors residing in the said territory hereinafter described, the question whether said territory shall be annexed to said City of Seattle and become a part thereof.

The said new territory proposed to be annexed to the City of Seattle is particularly described as follows, to-wit: Beginning at the point in the center of Lake Washington, which is the Northeast corner of the present limits of the City of Seattle; thence Northerly along the center of Lake Washington to an intersection with the south line of Section Sixteen, in Township Twenty-five North, Range Four East, W. M., produced eastwardly; thence West in the waters of Lake Washington and Union Bay along said south line produced, to an intersection with the east line of said Section Sixteen, produced southerly; thence North in the waters of Union Bay along said east line produced to the shore of said Union Bay, and thence North along the east line of said Section Sixteen and of Section No. Nine in said Township and Range to the quarter-section corner on the east line of said Section Nine; thence West along the center line of said Section Nine to the quarter-section corner in the west line thereof; thence North along the east lines of Sections Eight and Five in said Township and Range to the north line of said Township Twenty-five North; thence West along said Township line to the quarter-section corner in the north line of Section One, in Township Twenty-five North, Range Three East, which latter point is the Northeast corner of the present corporate limits of the town (now city) of Ballard; thence South along the center line of said Section One, and Sections Twelve and Thirteen in said Township Twenty-five North, Range Three East to the Southeast corner of Government Lot Two, in said Section Thirteen, said last-named line being also the Easterly boundary of said City of Ballard; thence West along the South boundary of said City of Ballard to the center of Salmon Bay; thence Northwesterly following the present corporate limits of the City of Ballard along the center line of Salmon Bay to deep water in Puget Sound or Admiralty Inlet; thence West to the main channel of Puget Sound or Admiralty Inlet; thence Southerly along said main channel to a junction with the main channel from Elliott Bay; thence Easterly and Southeasterly along the main channel of Elliott Bay to the point in the center of Elliott Bay, which is the Northwest corner of the present limits of the City of Seattle; thence Northeastwardly along the present Northwestern boundary of the City of Seattle to the intersection between the shore of said Elliott Bay and the west line of Section Twenty-four, in Township Twenty-five North, Range Three East; thence North, following the present boundary of the City of Seattle along said west line of said Section Twenty-four to the quarter-section corner in the west line of said Section Twenty-four; thence East, following the present boundary of the City of Seattle along the center line of said Section Twenty-four, and of Sections Nineteen and Twenty in Township Twenty-five North, Range Four East to the east line of said Section Twenty; thence South following the present boundary of the City of Seattle, along the east line of said Section Twenty to the Southeast corner thereof; thence East following the present boundary of the City of Seattle along the North line of Sections Twenty-eight and Twenty-seven in Township Twenty-five North, Range Four East, to the shore of Lake Washington; and thence Easterly in the waters of Lake Washington following the present boundary of the City of Seattle to the present Northeast corner of the limits of the City of Seattle and place of beginning, including all waters embraced within the boundaries above described.

# Petition to Extend City Limits of Seattle

To the Honorable, the City Council, the Legislative Body of the City of Seattle:—

We, the undersigned, being each a qualified elector of the said City of Seattle, hereby respectfully petition that the boundaries of the City of Seattle be altered and extended so as to include the new territory hereinafter described within the said City of Seattle after proceedings had as required by law, and that you submit to the electors of said city and to the electors residing in the said territory hereinafter described, the question whether said territory shall be annexed to said City of Seattle and become a part thereof.

The said new territory proposed to be annexed to the City of Seattle is particularly described as follows, to-wit: Beginning at the point in the center of Lake Washington, which is the Northeast corner of the present limits of the City of Seattle; thence Northerly along the center of Lake Washington to an intersection with the south line of Section Sixteen, in Township Twenty-five North, Range Four East, W. M., produced eastwardly; thence West in the waters of Lake Washington and Union Bay along said south line produced, to an intersection with the east line of said Section Sixteen, produced southerly; thence North in the waters of Union Bay along said east line produced to the shore of said Union Bay, and thence North along the east line of said Section Sixteen and of Section No. Nine in said Township and Range to the quarter-section corner on the east line of said Section Nine; thence West along the center line of said Section Nine to the quarter-section corner in the west line thereof; thence North along the east lines of Sections Eight and Five in said Township and Range to the north line of said Township Twenty-five North; thence West along said Township line to the quarter-section corner in the north line of Section One, in Township Twenty-five North, Range Three East, which latter point is the Northeast corner of the present corporate limits of the town (now city) of Ballard; thence South along the center line of said Section One, and Sections Twelve and Thirteen in said Township Twenty-five North, Range Three East to the Southeast corner of Government Lot Two, in said Section Thirteen, said last-named line being also the Easterly boundary of said City of Ballard; thence West along the South boundary of said City of Ballard to the center of Salmon Bay; thence Northwesterly following the present corporate limits of the City of Ballard along the center line of Salmon Bay to deep water in Puget Sound or Admiralty Inlet; thence West to the main channel of Puget Sound or Admiralty Inlet; thence Southerly along said main channel to a junction with the main channel from Elliott Bay; thence Easterly and Southeasterly along the main channel of Elliott Bay to the point in the center of Elliott Bay, which is the Northwest corner of the present limits of the City of Seattle; thence Northeastwardly along the present Northwestern boundary of the City of Seattle to the intersection between the shore of said Elliott Bay and the west line of Section Twenty-four, in Township Twenty-five North, Range Three East; thence North, following the present boundary of the City of Seattle along said west line of said Section Twenty-four to the quarter-section corner in the west line of said Section Twenty-four; thence East, following the present boundary of the City of Seattle along the center line of said Section Twenty-four, and of Sections Nineteen and Twenty in Township Twenty-five North, Range Four East to the east line of said Section Twenty; thence South following the present boundary of the City of Seattle, along the east line of said Section Twenty to the Southeast corner thereof; thence East following the present boundary of the City of Seattle along the North line of Sections Twenty-eight and Twenty-seven in Township Twenty-five North, Range Four East, to the shore of Lake Washington; and thence Easterly in the waters of Lake Washington following the present boundary of the City of Seattle to the present Northeast corner of the limits of the City of Seattle and place of beginning, including all waters embraced within the boundaries above described.
